

Remarks

The Office Action mailed September 2, 2004, has been reviewed. Claim 1 is cancelled and its limitations are added to claim 2 in this paper solely as a cost effective attempt to obtain an issued patent. Accordingly, claims 2 through 20 remain in the case before the Examiner.

ALLOWABLE SUBJECT MATTER:

Notice of allowable subject matter is appreciated. Claim 2 has now been rewritten in independent form including all limitations of its base claim in accordance with the Notice of Allowable Subject Matter.

PRIOR ART MADE OF RECORD:

A cursory review of the prior art made of record in the Office Action does not indicate that such art is more relevant than art already relied upon.

Conclusion

Applicant requests that the instant amendment be entered and that a Notice of Allowance be issued for claims 2-20. If any questions or issues remain which might most conveniently be resolved by telephone interview, FAX, or by e-mail, the Examiner is respectfully requested to communicate with the representative at the below indicated contact information.

Respectfully submitted,
